

Ministry of Urban Development, Water Supply
and Housing Facilities
CONSTRUCTION INDUSTRY DEVELOPMENT AUTHORITY

NATIONAL AWARDS FOR THE CONSTRUCTION INDUSTRY - 2020 -

Applications are invited to present National Awards for the Construction Industry as given below

1. Performance Awards for Civil Engineering Projects

- Highways
- Bridges
- Water Supply & Sewerage
- Irrigation

2. Awards for Innovative Techniques in Construction

3. Green Construction Excellence Awards

(in collaboration with Green Building Council of Sri Lanka)

4. Awards for Application of Construction Related Technologies (R & D Category)

5. Construction Excellence Awards to Building Projects

Applications are invited throughout the year. Duly perfected application together with relevant documentation should be submitted to CIDA at the inception of the project. Applications are available at the Information Centre of CIDA (final assessment is arranged after the defects liability period of the project).

6. National Excellence Awards for Electro Mechanical Projects

Applications are invited throughout the year. Application process is similar to the process in item 5. (Projects to be visited minimum of three visits during construction)

7. Awards for Application of Environmental Friendly Innovative Construction Related Technology

8. Performance Award for Overseas Projects (Building / Civil Engineering)

Interested applicants are informed that necessary application forms and guidelines are available for collection from Director (Development) - CIDA during normal working hours.

Closing date of receiving applications is now extended to 31/07/2020. (Final presentations will be held on mid August 2020)

Registration under the "National Registration Scheme of CIDA" is not mandatory for item 4 & 8 above.

- All the projects completed within last 5 years are considered for Performance awards.
- Projects on completion of the defects liability period are considered for evaluations.
- Applications can be downloaded from the CIDA Web Site (www.cida.gov.lk)
- Applicants are required to make a presentation of the project at CIDA for project evaluation.
