Registered Contractors of CIDA,

Registration of Heavy Construction Machinery and Equipment

Construction Industry Development Authority (CIDA), as the apex regulatory Authority of the construction industry, is mandated to maintain a Register of Heavy Construction Machinery and Equipment being used in construction works in Sri Lanka as per the section No. 44 of the Construction Industry Development Act No. 33 of 2014.

The rules on Regulation of Heavy Construction Machinery and Equipment have been published in the extraordinary gazette No. 2116/49 dated 28th March 2019 prescribing the procedure for registration (Annex 01). Therefore, as per the above provisions of the Act and the rule gazette, all the owners of heavy construction machinery and equipment specified in the gazette are required to obtain registration for their machinery and equipment being used in Sri Lanka.

However, considering the impact of covid 19, CIDA has decided to waive off the processing fee of the registration for the year 2020 for the registered contractors of CIDA as a concession for the applications being received before 31. 12. 2020.

Therefore, you are requested to obtain the registration of your fleet of machinery and equipment with CIDA before 31st December 2020 utilizing this concession. Instructions for registration and other information including the application form relating to the registration process can be downloaded from CIDA website http://www.cida.gov.lk
