

Condolence Notice !

We, Construction Industry Development Authority (CIDA) is deeply saddened to announce the sudden demise of Chartered Civil and Structural Engineer S. A. Karunaratne.

Eng. S. A. Karunaratne was an eminent professional in the construction industry who constantly worked with CIDA for the uplifting of the construction industry. Eng. Karunaratne served as a Panel Member of the National Construction Awards Committee of CIDA and as an active member of the Steering Committee of CIDA.

Eng. Karunaratne continuously extended professional assistance to CIDA, serving as a Resource Person for CPD Programs, Seminars and Lectures conducted by CIDA for the construction industry.

Eng. S. A. Karunaratne will always be remembered by CIDA for the valuable services and contributions made by him, for CIDA and for the construction industry.

May he attain the supreme bliss of Nibbana!
