

Submission of Construction Contractor Registration Applications during periods affected with movement restrictions.

Currently Online Registration facility is available for “Renewals” only for grades C3 and above. Until the Full range online platform is established CIDA has decided to receive Applications through emails for Renewals and Upgrading of registrations up to C1. Other categories such as EM, GP and SP will also be accepted. However, “NEW” registrations will only be received through physical submissions while CIDA District Coordinating Officers have also been authorized to carry out this task.

(2) Thus, critical documents such as Financial Facility, Project Summary and Largest Project will be required as Scanned copies. Minimum number of scanned copies of documents (maximum 05 to 06 copies) will be required in order to avoid bandwidth failures in online operations.

(3) Applications in soft formats are available for downloading, and duly filled applications can be sent in PDF formats to avoid data losses.

(4) All scanned copies shall have been authenticated by a Notary Public or an Attorney at Law.

(5) After completing the evaluation process contractor will get an invoice by email for the payment. Contractors will be able to pay through bank deposit / online transfer or Online Visa/Master card payment gate in the CIDA website.

(6) Submission of forged documentation and false information will be dealt as per the provisions under section 36 and subsequent criterion depicted under the section 35 of CID Act. You may send your details of Registrations with Organization Name /CIDA no / Registration Categories and grades/ Contact phone mobile no to these email addresses. cidaitdev@gmail.com, with a copy to: cidadevfrontdesk@gmail.com
