CONSTRUCTION INDUSTRY DEVELOPMENT AUTHORITY

PROCUREMENT OF BUSINESS CONSULTANCY SERVICE

ENGAGEMENT OF A BUSINESS CONSULTANT FOR BUSINESS PLANNING AND IMPLEMENTATION OF CIDA TRAINING CENTRES

CIDA, the regulatory authority and apex state institution responsible for the development and regulation of the construction sector in Sri Lanka, in line with the Government's vision of creating self-sustaining institutions, has identified a restructuring programme for the training centres operating under CIDA. Under this programme, business proposals are expected for three centres: **the Construction Equipment Training Centre (CETRAC), Battaramulla; the Operator Training Centre (OTC), Galkulama, Anuradhapura; and the Construction Industry Training Institute (CITI), Pelawatta** (formerly CHPB).

Consultancy service providers with proven experience in the above field are hereby invited to submit their Expressions of Interest (EOI) in accordance with the Terms of Reference (TOR), together with details of similar assignments carried out during the past 10 years. The duration of the assignment will be three (03) months.

The TOR can be downloaded from the CIDA website.

Financial and Technical Proposals shall be submitted separately on or before 21 July 2026 to the following address.
